

Your rental property is your valuable asset and we consider ourselves an integral part of your management team as hands-on managers.

- Quality property presentation
 - Quality tenant management
- = Higher rent

Results and solutions,
NOT EXCUSES!

Inspections are carried out by our in-house management, rather than being outsourced to a third party.

We do confirmative follow-up inspections for improvement requests.

PWC Realty

POSITIVE WEALTH CREATION

Making Dreams Happen

Asset management yearly review:
- Asset performance and budgeting for maintenance and upgrade.

Respecting all tenants and encouraging them to meet our standards. We appreciate their importance to you, the landlord, and to our business.

Pictorial evidence along with a detailed property condition report. We focus on attention to detail.

With transparency at the forefront of our values, we will give you a clear understanding of our services and relationship with you, all tailored to your requirements.

If you are thinking of renting your property and the above resonates with you, contact PWC Realty for your obligation-free rental appraisal.
